

Elements Displays

Choose from 4 reading coves and mobile display units to provide maximum flexibility for your collection and your visitors.

Elements Display Features

- Made with 3/4" laminate and color matched PVC edge banding.
- Reading Cove and Hideaway units are supported with a plywood base, and built to support up to 750 pounds in people and books.
- Element display shells are white as standard, with one additional color for shelves and trim. Additional or alternate colors can be quoted; contact factory.
